PUBLIC SCOPING MEETING
for the
MONTEREY HIGHWAY SOCCER COMPLEX
Environmental Impact Report

The Department of Planning, Building and Code Enforcement of the City of San José will hold a Public Scoping Meeting for an Environmental Impact Report (EIR) to describe the proposed project and the environmental review process and to obtain your input on the EIR analysis for the proposal. This EIR Public Scoping Meeting will be held in compliance with the California Environmental Quality Act (CEQA), as amended.

The EIR Public Scoping Meeting will be held:

When: Wednesday, November 30, 2005
6:30 p.m.
Where: Ann Sobrato High School Library
401 Burnett Avenue, San Jose
(on the north side of Burnett, east of Monterey Road)

You are welcome to attend and give us your input on the scope of the EIR so that it addresses all relevant environmental issues. The project for which the EIR is being prepared is:

The Monterey Highway Sports Complex project proposes to change the San Jose 2020 General Plan Land Use/Transportation Diagram (General Plan) designation from *Agriculture* with *Coyote Greenbelt* overlay to *Public Park/Open Space* with *Coyote Greenbelt* overlay on a 72.7-acre site in order to allow the development of a youth sports field complex containing up to 8 soccer fields and other temporary ancillary facilities. The project, by proposing no permanent structures or expanded infrastructure improvements would be consistent with the provision of the General Plan's Urban Growth Boundary that recognizes the physical, location, and service limitations of the designated South Coyote Valley Greenbelt area (see attached site location map).
Council District: 2

The Notice of Preparation is available for review online at the City of San José's website:
<http://www.sanjoseca.gov/planning/eir/eir.asp>. Comments and questions regarding the EIR should be referred to Janis Moore of the Department of Planning, Building and Code Enforcement at (408) 535-7815.
